Our Mission

Our Mission is to provide knowledge, understanding and education that produces wisdom in becoming a non-citizen national. The educational information provided for this process helps avoid the pitfalls of inexperience while building knowledge and truth in becoming a non-citizen national. Our forefathers, who forged our Country's founding documents, expounded that "We the People" were given unalienable rights. Also, God gave dominion to mankind in the Book of Genesis. (Ref: Gen 1:26-30) Through years of experience from those who know the process best, we extend our hands in friendship in providing documentation from those who can answer your questions on how to reclaim your original constitutional rights. Be it duly noted: America's Assembly lives peaceably among ALL men in the pursuit of educating one's standing, status, and jurisdiction.

Purpose for Membership

It has come to the attention of the Core Group leadership that there are groups and people stealing the content documents and information from the AA website. These groups and people are creating websites to sell AA information to the general public. AA has the goal to free men and women from the GOVERNMENT slavery under CITIZENSHIP and believe freedom should be free without charging people. We know that several of these people and groups would love to acquire AA information to further sell and make money off Americans. Therefore, it is now necessary to lock up the content, information and communications of information that AA has had available to the public. It has now become necessary to implement this membership with requirement needed to protect the assembly and its documentation and information as well as the members privacy. AA is working in moving the Website to a private server and all communications to a private platform. This membership will include access to website, zoom meetings and telegram chats. However, when AA switches to secured platforms, the membership will include these secured platforms as AA slowly moves off the current platforms. **By clicking the “submit” button and registering your account, you agree to the terms within this agreement.**

Membership Requirements

- 1. All are welcome to join America’s Assembly and become a member. However, if anyone claims to do harm to anyone including anyone that works for the Federal Government, you will not be granted access to membership. All future acknowledgment to America’s Assembly will be referred to as AA from hereon.**
- 2. Membership is offered to like minded Americans that join with the intentions to correct one’s status from a UNITED STATES CITIZEN to a State Citizen or known as a non-citizen national, that is willing to take an Oath or Affirmation to the State in which they were born in.**
- 3. All members enter into the agreement with full and complete knowledge that their membership can be revoked for becoming disruptive to the Assembly as a whole or by harassment of any members of the assembly.**

4. AA currently is free of charges for all documentation of this process; however, to ensure the process and documentation remains private, this membership agreement and private website is vital, so that all members will be able to communicate privately with all other members.
5. All members have a right to cancel their membership at any time. However, under this agreement all documentation acquired by all members even those that cancel and or are removed from membership must not ever disclose to ANYONE any learned information, hard copy information, telegram chat information, documents acquired information, zoom meetings information, text or email information to ANYONE that is not a member.
6. All AA members will be required to agree to a non-disclosure agreement to join. (NDA)
7. As a member of AA, all members will take an Oath to all AA members in Trust and in confidentiality to one another and in the NDA to never disclose any information that any members share that is personal to any member and or any of the information, documents or any information acquired while being a member of AA. All AA members are to hold any information shared within the membership to be confidential only between members and can never be shared openly to any non-member.
8. All AA members will be granted access to the AA website for documentation and study purposes, the new website will be hosted on a private server and will be password protected.
